SPARTAN LED Zone 2/22 SPZ Linear Spigot Luminaire

Ultra-Powerful

SPARTAN Linear delivers industryleading power and performance with an efficacy of up to 147 lumens per watt on standard variants.

Modular Design

Key components such as the LED and PSU modules are easily accessible for straightforward maintenance and inspection.

Intelligent Emergency

Self-testing emergency battery providing up to 3 hours emergency back-up.

Integrated Spigot

The integrated spigot bracket is designed to fit poles up to 42mm in diameter and is fully shrouded for environmental protection.

5 YEAR WARRANTY

All Raytec luminaires are provided with an industry leading 5 year warranty and have an expected useful life in excess of 10 years. See Warranty Statement for details.

SPARTAN Linear Specials

Safety Shower Variants

- Green LED technology designed for use where safety shower units are located.
- Dominant wavelength: 519nm
- Dedicated safety shower optic for maximum visibility

Example ordering code: SPZ-WL84-SP-G

Other options available, contact Raytec for full ordering information.

Wildlife-Friendly Variants

- Amber LED technology designed to protect wildlife in coastal locations or natures reserves.
- Dominant wavelength: 600nm

Example ordering code: SPZ-WL84-SP-4K-A

Other options available, contact Raytec for full ordering information
